Welcome to *Feminist Economics Research Notes*. This series of concise, nontechnical summaries of articles from the award-winning journal, *Feminist Economics*, makes important new feminist economic research available to a broad audience. The Notes provide policymakers, activists, and students with access to informed analyses of economic issues influencing the well-being of women, children and men.

The Notes are widely disseminated via quarterly e-mail alters, Twitter, and Facebook. For the entire series, please see the journal website: [www.feministeconomics.org/fern](http://www.feministeconomics.org/fern)

Please help spread the word about this exciting initiative by forwarding the Notes to a colleague of friend.
